

Outsmart mosquitoes.

An advanced Mosquito Repellent System for outdoor protection.

The Mosquito Repellent System Advantage.

-  Professionally installed by Terminix
-  Easy to use – Push a button to activate
-  Independently tested
-  Works in minutes
-  Die-cast aluminum construction for reliability

Mosquitoes are a buzz kill for the outdoor spaces at your business. More than an annoyance, mosquitoes can potentially spread harmful diseases to your visitors and employees.

Reclaim your outdoor spaces from these blood-sucking pests! Harness the power of smart technology with the Mosquito Repellent System from Terminix®. Create an on-demand protection zone around your most-used outdoor spaces and prevent mosquitoes from draining your business.

Adaptable for small & large spaces

The Mosquito Repellent System can be used to protect a wide variety of outdoor spaces, including:

- Dining & picnic areas
- Employee break spaces
- Courtyards
- Playgrounds
- Terraces & hardscapes
- Dog parks
- Pools
- Rooftop gardens

TERMINIX

HOW WE PROTECT YOUR OUTDOOR SPACES WITH THE MOSQUITO REPELLENT SYSTEM

ASSESS

We'll review the area where the system will be installed and work with you to determine the best repeller placement

INSTALL

Our technician will install this system by strategically placing repellers and connecting the controls.

TEST

We'll test the system to ensure all repellers are working properly and review how the system works with your team.

SERVICE

We'll return every other month to refill the repeller cartridges and check your system's functionality.

Benefits of your Mosquito Repellent System.

- Flexible installation mounting options
- Each repeller provides 20 ft. of coverage¹
- Each cartridge provides 180 hours of protection
- Formula is U.S. EPA-reviewed for safety & effectiveness
- Treatments do not need to be applied to foliage

Ideal solution for these industries.

- Hospitality & lodging
- Restaurants & bars
- Healthcare
- Offices
- Multifamily properties

TERMINIX GUARANTEE

We guarantee that your Mosquito Repellent System will work as intended and keep mosquitoes at bay while in use. If your system malfunctions due to defects in the product or workmanship, we'll return to ensure it is operating properly.²
